

### **WOWGG Play Days:**

Come and join WOWGG members. Playing in WOWGG events does require membership. Please refer to our 'Who is WOWGG' section for membership opportunity. Our regularly scheduled days are as follows:

- **Ladies Thursday Play** (18-hole group) 8:30 am tee time May through September; 10:00 am tee time October through April. Each Thursday offers WOWGG members different “games” that our members may sign up for. The games are typically \$4.00 “by-in” or “Sweeps”. Each game is very different but adds fun and variety on the Thursday 18-hole golf days. *(please see Ladies Thursday Play events under Ladies 18-Hole Games.)*
- **Ladies Mondays Play** (9-hole group) 10:30 am tee time
  - On the ***first Monday of the month*** our golf pros conduct a clinic at 10:00 am with starting tee times at 10:30 for the 9-hole round. All WOWGG Members are invited to attend.

### **Pace of Play:**

- Please keep up with the group in front of you. Look ahead and learn to coordinate with cart buddies to be expedient in advancing carts forward through the round.
- 4-golfers pace should be no more than 4 hours and 20 minutes.
- Think about your shot as you move to your ball, with at least a couple of club options to keep the round moving. Your cart buddy can safely advance the cart to their ball if possible. Do not wait for your cart buddy to get back into the cart before moving forward to your ball.
- Move to the next hole quickly.

- **If you are a slower moving foursome, allow a faster moving group to play through at a par 3 hole. Hit onto the green and advance carts to the green, waving the next group forward. After they have puttied out, you can complete the hole.**

**Please refer to Policy VI: Pace of Play for further details on Pace of Play**
