TIPS FROM TRACEY

Hot Weather

Remember that you need more than just water on hot days. You need electrolytes also so be sure to have something to add to your water or a Gatorade like drink in your cooler.

Hot Weather- Heat stroke

In hot weather, use a cooling towel around your neck to keep comfortable. If feeling dizzy, confused, nausea, or just feeling "off", come in from the course and spend time in an air-conditioned area. Keep an eye on all players in your group. The players may not be able to recognize their own symptoms. Heat stroke (or heat exhaustion) can be deadly so do not ignore the possibility.

Around the Grounds
by Justin Saragueta, General Manager

Hello All,
The overseed aerification project is a little ahead of schedule and doing well. We are addressing a lot of smaller projects around the grounds as well like, manicuring landscape areas, detailing carts and the cart barn. Organizing the golf shop etc. Putting in new fans in the gym and cycle rooms and new LED lights in the on course restrooms as well as deep cleaning them.

Matt Johnson's Pro Thoughts

Challenge Yourself!

Golf is a game of small victories, and one of the best ways to keep every round fun is to give yourself a personal challenge. Pick one thing before you tee off. Make a birdie, go an entire hole without using your favorite club, hit every fairway on the par 5s, avoid a three-putt, or commit to every putt without second-guessing yourself. It doesn't have to be about your final score.

You can also challenge yourself to try something outside your comfort zone once each round. Take the aggressive line you normally avoid, hit a different club off the tee, try that bump-and-run instead of always reaching for the wedge, or simply stay positive after a bad hole. Give yourself one small goal each round and celebrate when you accomplish it (Birdie Juice?). Sometimes those little challenges are what make golf the most fun!

THIS and THAT

Reminder October changes start times to 10:00 for Nine n' Dine. 10:30 for Thursday play except as noted for special events.
