Cheryl Williams 9
Gill, Mai-Ly, and Nikkli with 8
9ers: Stephanie Bailey 10

TIPS FROM TRACEY

On the Green

Start reading your putt while others are lining up their putts if you are not interfering with the other player(s). This will speed up play. And you will be ready to play when it is your time to putt.

Matt Johnson's Pro Thoughts

Fixing Divots and Pitch Marks:

On the Tee Box -do NOT fix your divot, it is a different grass mix and the grounds crew will fix and fill them.

On the Fairway - If your divot is big and pancake like get it and replace it in the divot. Tamp or step it in place. Otherwise, fill the divot with the seed and sand mix.

On the Green - Please repair all pitch marks with a fixer tool. Start from the back of the mark and gently push the grass back into the mark. do not pry the roots up.

Around the Grounds by Justin Saragueta, General Manager

Not a ton to report this month.

- We are working on a few drainage projects on the course.
- Brian Whitlark with the USGA agronomy team is coming out March 3rd to give us a course evaluation and site report.
- A new commercial water heater has been installed in the clubhouse.
- Wedgewood is speaking with Club Car regarding a lease of a new beverage cart.
- And new jump boards for the pilates room have been ordered.
